Traditional CPA Firms

Why the world's leading companies choose Schellman over other providers

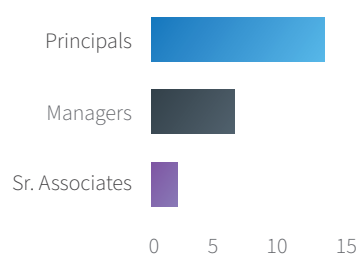

Our Experience

Schellman conducts **over 3,500** assurance, compliance, and certification assessments every year. According to data from Gartner, Inc. Schellman performs more compliance reports annually than any other specialized firm, comparable to any Big 4 regional practice. We are the **only** U.S. firm on Accounting Today's Top 100 CPA firm list whose services focus solely on audit and compliance attestations.

Our Values

Targeted Services

We provide IT audit and compliance attestations, and there are no upsells of other consulting services or financial audits.

Fixed-Fee Pricing

All engagements at Schellman come with no hidden fees, unlike the Big 4 that offer traditional hourly billing.

Consolidated Audits

Our ability to offer a coordinated delivery strategy and team allows us to seamlessly perform multiple audits under one umbrella, generating significant value for our clients.

Guaranteed Experience

We do not hire right out of college, and all auditors have prior audit experience.

Strong Retention Rates

Consistency in personnel means more efficiency across audits.

No Contractors

All auditors are Schellman employees and no work is done “off-shore.”

Accessible SME's

Schellman principals, many of whom are former Big 4 auditors, play an active role on all engagements.

No Bureaucracy

Our culture encourages innovation and productivity, built so that both employees and clients thrive.

Technology Platform

The AuditSource platform provides clients with multi-dimensional views across the entire project domain for evidentiary exchange.
